Memorial Parade Set for Monday

Members of Harry L. Embree Post, Veterans of Foreign Wars, have been busy this week shaping up plans for a Memorial Day parade and brief ceremony at the Sierra Madre cemetery, both to take place on Monday morning, May 31.

Around the Square

By VERA H. LUMBARD

The old P.E. station is gone. The 67-year-old frame library and the Cobblestone child care center are soon to go, causing those who recall the old station with affection.

But with us still and for many years to come is the untidy little Sierra Madre cemetery on East Sierra Madre Blvd.

Those who deplore the passing from the local scene of landmark heritages might well turn their appeals and attention toward improving the appearance of the cemetery which dates back to the 1890's and where some of the town's pioneers lie at rest.

In the absence of a cemetery association, the City year after year has done a quick clean-up job occasionally. Again this year City forces have made the cemetery look more orderly for Memorial Day.

But there are all the days between Memorial Days when the rank and bosky view of the cemetery as seen from the main boulevard has caused out-of-town passersby to ask, "Why doesn't Sierra Madre do something about that nice little graveyard?" And at least one persistent local resident, his eye for beauty and order outraged, suggests that "someone" provide shrubbery across the boulevard side to screen the rampart weeds and tumbled markers from the main thoroughfare.

Families still residing in Sierra Madre who have plots in the cemetery might form the nucleus of a group dedicated to bettering the general appearance of the site. Councilman Paul N. Carter, grandson of the City's founder, has started the ball rolling with a pledge of \$10 and also suggested that the Coordinating Council might make some recommendations.

And if someone would assume responsibility for the billing, the cemetery water pipes will be turned on again — permanently!

Call Public Meeting Tonight for Forming Citizens Water Group

Stemming from recent discussions of Sierra Madre water problems, a citizens' group "pledged to obtain facts and to recommend a constructive program of general acceptance," is expected to be formed tonight at an open public meeting set for 8 p.m. in the City Parkhouse, according to A. L. Draeger.

The opportunity to participate is extended to all residents and property owners. Available information will be analyzed and suggestions offered for a course of action aimed toward securing more water for Sierra Madre, Draeger says.

FITZGERALD HEADS DEMOS FOR KNIGHT

Attorney John L. Fitzgerald has been appointed chairman of the Democrats for Governor Knight Committee in Sierra Madre and has established headquarters in his office, 38 N. Baldwin.

Judge John C. Mead is local Knight for Governor campaign chairman.

BURROUGHS BID ON BUSINESS MACHINE APPROVED BY CITY

The City business office will have a new accounting machine in operation for the fiscal year starting July 1 as a result of Council action this week.

The \$3,706.20 bid of the Burroughs corporation was accepted on the recommendations of City Clerk Marie Warfel and City Administrator Lawrence Bevington.

Underwood corporation, only other bidder, offered to supply the bookkeeping machine for \$3,634.65.

SURVEY HERE FOR CHANNEL ALIGNMENTS

The Los Angeles District Corps of Engineers is conducting surveys in the Sierra Madre area to determine the best alignment for the two channels running from Bailey and from Auburn and Carter canyons to the Arcadia Wash.

A high priority program schedule of the Corps of Engineers calls for construction this summer of debris basins in those canyons, the largest to be one of 120,000 cubic yards capacity in Bailey Canyon. The basins in Carter and Auburn canyons will be of 22,000 and 32,000 cubic yard capacity, respectively.

Construction of the channels, however, is not expected to be initiated until additional funds are made available by Congress, probably after July 1, 1955, according to Col. Arthur H. Frye, district engineer.

The channel surveys, now underway, he explains, will be used in designing improvements for the channels so as to provide adequate capacity for the mountain run-off waters.

"In selecting such final alignment," Col. Frye states, "the Corps of Engineers, as a matter of course, avoids dislocation of homes and other improved properties insofar as is practical, economically and engineering-wise."

He said that no definite alignment has been established as yet. All of the work is being coordinated with the Los Angeles County Flood Control District.

Chamber Tells Speakers for Dinner-Meet

Principal speaker June 9 at a dinner-meeting of the Chamber of Commerce will be Lorne B. Pratt, general manager of the Hollywood Chamber of Commerce and a recently-elected City Councilman here. The dinner, of which Virginia Sayles is chairman, is scheduled for 7:30 p.m. in the Woman's clubhouse.

The membership and the general public are invited, according to Mrs. Sayles. Tickets are available at the Chamber of Commerce office, 38 W. Sierra Madre Blvd.

James Wolfe of Youngland will speak on the "Clerk of the Month" campaign which will start around June 14. Pratt's subject will be, "Laurel of the Small Businessman."

Voters Elect Three Unopposed Candidates to School Board

Increase to Five Trustees Also Accepted; Canvass Ballot Tonight

The local school board election Friday, May 21, which returned Dr. Milton Valois to the board for a three-year term, and resulted in approval of enlargement of the board to five members, chalked up the second largest school balloting here in 10 years. Valois was unopposed.

A total of 385 ballots was cast Friday, while in 1950 ballots totaled 668. In the years since 1944 less than 50 persons voted in at least five of the elections.

The two unopposed candidates for the enlarged board are Mrs. Nathan Jacobs who received 324 votes and George A. Feichtmann who received 313. Dr. Valois received 338 votes. There were no write-in candidates.

The proposition to increase the number of members on the governing board of the Elementary School district here was approved by 326 voters, opposed by 52.

The new board will meet tonight to canvass the ballot and, possibly, to effect its reorganization. Dr. Valois has been president of the board of trustees. Howell N. White Jr. and Mrs. Stanley Coutant, with two and one years to serve out their terms, make up the board. Mrs. Jacobs will serve a two-year term and Feichtmann will serve one year.

Council to Review TV Antenna "Specs"

Possible revision of specifications for franchising operation of a Master TV antenna system here seemed likely after the City received only one response to its call for bids. The specifications will be reviewed by the City Council at the suggestion of Councilman Charles H. James.

THE FIRST FLOWER in the 1954 memorial sale of Buddy Poppies is received by Mayor Charles E. Louk as members of two local veterans organizations stage a Kersting Square preview of what will be a familiar sight here tomorrow and Saturday. Pictured are, left to right: Mrs. Thelma Proctor, a Gold Star Mother and president of the American Legion auxiliary; Mayor Louk; Mrs. Ornelia Stinman, Legion auxiliary secretary; Harry Holland, VFW Poppy Day chairman; and Mrs. Bernice Purcell, president of the VFW auxiliary.

Sale of 2000 Poppies Hope of Vet Groups

VFW Continues Tradition; Guardsman to Fire Salute

Sierra Madreans once again will "honor the dead by helping the living" when they pause to buy Buddy Poppies tomorrow and Saturday from members of local veterans organizations.

The bright red paper poppies will be sold by representatives of the American Legion auxiliary and the auxiliary to Harry L. Embree Post, Veterans of Foreign Wars, who will be stationed in the business area and elsewhere in the city.

They have set themselves a quota of 2000 poppies to be sold this year. Mrs. Katherine Miller is Poppy chairman for the Legion auxiliary and Harry Holland for the Veterans of Foreign Wars.

Poppy Day started in 1921 following World War I and since that time thousands of disabled veterans have made the paper flowers each year, a project which helps in their physical rehabilitation as well as helping raise funds for hospitalization, relief for disabled men and their families and educational loans for children of veterans.

Auxiliaries to Mark Graves with Flowers

Members of the auxiliaries of the Veterans of Foreign Wars and the American Legion will gather at the Sierra Madre cemetery at 4:30 Saturday afternoon, May 29, to decorate veterans' graves for Memorial Day.

Approximately 50 bouquets are needed for the purpose and donations from local gardens would be welcome, they say. Flowers may be left at the Old Adobe, 37 E. Montecito, up to 4 p.m., Saturday.

The cemetery has been cleared of weeds by City forces and water has been made available there to fill vases for the fresh flowers and to water plantings.

Democrats for Hiestand Hold Coffee Parties

The Democrats for Hiestand Committee in Sierra Madre, of which Allen Hicks is chairman, sponsored coffee parties Tuesday morning in the homes of Mr. and Mrs. William W. Ma-loney, 15 E. Alegria, and Goodrich Simmons, 251 E. Montecito.

A total of approximately 60 persons attended the coffee hours and heard brief addresses by Congressman Edgar W. ("Eck") Hiestand, a candidate for re-election in the June 8th primary. He was introduced by Mayor Charles E. Louk. Mrs. Hicks assisted with the parties, representing her husband.

ROBERT HEASLEY UPPED TO RANK OF POLICE SERGEANT

Police Officer Robert Heasley has been promoted to the rank of sergeant on recommendation of Police Chief Gordon G. McMillan and approval of the City Council. The promotion is effective June 1.

Heasley joined the force in April, 1951.

Welch, Valois Stay on Recreation Commission

Reappointment of Ralph M. Welch as chairman and Dr. Milton Valois as a member of the City Recreation Commission was approved by the City Council this week.

PLANNERS MEET TONIGHT

A regular meeting of the Planning Commission will be held at 8 o'clock tonight, May 27, in City Hall. The meeting is open to the public.

Council Session Enlivened with Appointment Quiz

Interest Shown in Carter Successor; Zone Study OK'd

The City Council session Tuesday night, which started out smoothly with swift action on a streamlined agenda, later developed into a lively discussion which reflected some division of opinion on the board itself and a probing interest on the part of some folks in the audience.

Stores, Markets Will Be Closed on Monday

MONDAY, May 31, will be observed as a holiday throughout most of the Sierra Madre business area and public buildings, according to the Chamber of Commerce.

All of the stores and markets will be closed but eating places and service stations will be open for business. Both drug stores indicated they will be open part of the day.

It will be a day-long holiday for the pupils, teachers and staffs of City school and St. Rita's and Ascension parochial schools.

There will be no mail deliveries or window service at the postoffice.

The Public Library and the City Hall will be closed for the day. The NEWS office will be closed.

Float Survey Continues to Friday, June 4

While only 14 more replies were received the past week to the Community Coordinating Council's \$64 question: Do Sierra Madreans want to continue to have float entries in Tournament of Roses parades? the survey will remain open at least until Friday, June 4.

This is according to William M. Hawkins Jr., Float Survey chairman, who says people continue to tell him, "I've been meaning to get my answer in to that questionnaire."

To date there have been 128 replies to the mailed questionnaire.

The box score at this time is: NOES—67; YESSES—53; "on the fence"—3; money received or pledged—\$255. In addition, most of those expressing approval of the project, particularly as a community-wide participation throughout, pledged volunteer work.

The week's mail brought in another \$25 check, this one from M. Penn Phillips, 200 Olivera Lane. In addition, there were three pledges of \$5, one of \$1 and a cash contribution of \$1.

The survey committee would like to have a flood of replies to the questionnaire by June 4. Findings of the survey committee will be referred to the Coordinating Council before a conclusion is reached, Hawkins says.

Daughter of Civil War General Marks 98th Birthday Here

Miss Henrietta O. Flint, venerable Sierra Madre resident whose birth on May 30, 1856, pre-dated Memorial Day by 13 years, will celebrate her 98th birthday this Memorial Day in her home at 383-C West Sierra Madre Blvd.

Miss Flint is an invalid and her birthday will be quietly observed by her family. But there will be a birthday cake, according to her niece, Miss Donna M. Drew, with whom she makes her home.

Miss Henrietta Flint was born in Philadelphia and came to Sierra Madre 13 years ago from Pennsylvania. Her father fought in the Civil War—he was a general in the Fourth Infantry, Miss Drew says.

NO BIDDERS ON CANYON POOL OPERATION

The City received no response to its advertising for bidders on operation of the Canyon swimming pool this summer on a lease basis.

Councilman James said he hoped this did mean youngsters here would be without a pool in the summer.

While a prolonged discussion of water system development issues was nothing new, a property owner in the audience did introduce a new and unscheduled subject when he queried the council on its plans for filling the council vacancy created by Paul N. Carter's resignation.

Divided on Two Counts

The division of opinion in the council was vividly apparent when approval of the Gordon Whitnall contract was carried over Pratt's "No" vote and when action on Pratt's motion to adopt weekly council meetings died for lack of a second. While other members of the council did not commit themselves on the council appointment, Pratt said he "went along" with the citizen-commentators' expressions that the appointment should go to the councilman candidate next in line in the April 13 municipal election.

The Whitnall contract drawn by the City attorney covers the nine-month services, at a fee of \$3000, of the firm of planning consultants to devise a modern, master zoning plan for Sierra Madre. In speaking on the twice deferred Whitnall matter, Councilman Roberts said:

Architect Comes First

"It seems to me we should have an architect before we build a house and I move the contract be accepted."

Pratt repeated his protests of two weeks ago:

"I still feel we are stepping too fast. I don't think our problem can be cured in nine months—and the consultants don't think so either." He advocates a preliminary advisory agreement with the consultants for "necessary spade work" before entering into a contract.

Councilman James commented: "The Planning Commission has asked repeatedly for technical advice. If we're going to do anything, I think we should back them up now with the tools they need to work with. Admittedly this comes late—we should have had this 20 years ago."

Asks Weekly Meetings

Deploping the two-week open span between council meetings, lengthy agendas and pre-council committee meetings, Pratt said: "I think we are driving business out of Sierra Madre and holding up construction (by infrequent action). I think the Planning Commission should meet twice a month, and the council every week." His motion was not seconded.

Councilmen Roberts and James and Mayor Louk expressed their like opinions that shorter agendas (allowing more time for oral communications) would serve the same purpose and they proposed a trial of that system before a final decision.

It was pointed out that the new city administrator is working toward that end by elimination of some administrative items from agendas.

Doesn't "Feel Strongly"

Roberts said he didn't "feel strongly either way" that he did feel there were times during the winter emergencies when the council should have met twice a week—and did often as a committee.

He also emphasized that "while there has been no fanfare about it," the committee-of-the-whole meetings on Monday nights preceding council sessions are held in the main

Reverence for the Past . . . Resolution for the Future

Memorial Day is not much different than any other day to the mother whose son is buried on Iwo Jima or to the veteran in the wheel chair. They don't need Memorial Day to remind them what happened. They think of it every day . . . some days more, some days less.

They think, too, that millions of young men are trained, or in training, for military service and wonder what their fate will be since men in distant places continue to plot world domination. Another war, they wonder, more graves and heartaches?

The wife of the young chap who was victim of a land mine in Korea, thinks, no doubt, that if we had stood up to the plotters in '34 there might not have been any fighting in '44—and Frank would be here today.

On this Memorial Day, let us reverse the past but resolve for the future to strive for peace peacefully . . . but be prepared to fight for it if we must.

Makes Us Feel Small

When you think of the series of set-backs that Abraham Lincoln had in his political career and personal life, does it make you feel small to become discouraged just because you think you are having a hard time in life?

In the face of everything he became one of the country's greatest men—if not the greatest.

Letters to the Editor

May 24, 1954

The Editor
Sierra Madre News:

The writer, having served on the Citizens School committee and now being a member of the Pasadena Citizens Information Committee on School Bonds and Tax Needs, offers the suggestion that Sierra Madreans, if in doubt about the school issues on which they will vote June 8, provide themselves with complete information available.

This may be obtained from the Sierra Madre Education Research committee, the PTA, the columns of THE NEWS, and the writer. I feel that an informed electorate can then CONFIDENTLY vote in favor of all three school propositions—B, C and D.

In cold, blunt terms, if the bonds fail to pass, thousands of children now affected and thousands to follow will be deprived of much needed educational housing and irreparable damage would be done to community welfare and schools.

FIRST CLASS CITIZENS CAN NOT BE EXPECTED FROM FOURTH CLASS OPPORTUNITY.

The work of the committee and recommendations made to the board of education and school administration are MINIMUM requirements and have been cooperatively accepted by them. Our community can rely on the favorable effectiveness of the committee's efforts in their support of these important issues.

Good schools are built on confidence and trust. An American heritage is in our hands.

J. A. Dewar.

154 Santa Anita Court

I believe it is important that a mis-quote attributed to me, (Sierra Madre News, May 20, covering the May 18 citizens group before the Sierra Madre School Board) be corrected, or

the whole point of stressing phonics in the first three grades in the Sierra Madre School is lost.

The controversial 40 per cent (conservative estimate) of non-readers were in the 4th grade, and established when they could not read typed examination questions given them. They could not answer them because they could not read them, and so they failed. It is a proven fact that a high percentage of children each year are NOT natural sight readers . . . and the point emphasized in the meeting was to SAVE the 40 per cent from a failure complex by stressing phonics in the first three grades . . . sight readers will take care of themselves, will be able to do either!

The constructive NEW thought developed from the meeting was the promise of the School Board and Supt. Skutt, with the helpful promise of the Editor of the Sierra Madre News—to print Comparative results of the ENTIRE tested PASADENA SCHOOL DISTRICT in the seventh grade as it enters the Junior High, showing Sierra Madre children in relation to the rest of the district. Much criticism is directed to Sierra Madre mothers because of their children's reading ability, lack of basic arithmetic and poor work habits when they enter the Pasadena District.

A hopeful suggestion was offered also that Sierra Madre Public School tests be compared with Sierra Madre parochial school tests at the end of the sixth grades. If followed I believe these comparisons would be constructive either to jack up the effort of the Sierra Madre public school, or end forever the criticism of the school on an over-all basis.

Sincerely,
GRACE VANE

TELEVISION and the Pre-school Child

By MRS. MARJORIE GREEN

Director of Sierra Madre Community Nursery School

The impact of television on family life today is something that cannot be ignored. While some parents may be relieved to have the child quietly absorbed in a TV program instead of under the foot while mother is getting supper, many more worry about the effect of television on the eyesight, nerves, morals and manners of their children. Attempts to turn off objectionable programs are often met with excited protests from the child.

Whether or not we approve of television, it is, no doubt, here to stay. If you refrain from buying a set for your home, your child can always see the programs at the neighbors. Perhaps children's interest in TV would diminish if they were provided with enough interesting and childlike things to do. Do you read to your child often enough; sing to him; provide him with companions his own age; give him plenty to do? Have you looked for the good programs on your set or merely avoided the poor ones?

Clinical psychologists and others who understand child growth and development tell us that children who spend a great deal of time watching television may be using this medium as an escape from reality. Such children are usually not happy or secure in their relationships to other family members or to other children. They just aren't having enough fun.

At a recent meeting of educators, called for the purpose of discussing the effect of television on children, a representative of the television industry was invited to speak. When asked about the poor quality of some children's programs he said, "It does no good to complain to the broadcasting stations. If you don't like the programs, complain to the advertisers." He said that if enough parents wrote to an advertiser and said, "I like your program; I will not buy your product; and I will tell all my friends and relatives not to buy it," the results would be miraculous. He also said that it was not enough to get rid of the poor programs, that we must find good ones to replace them and that the broadcasting companies are very interested in securing good programs.

N.B.C.'s Ding Dong School offers interesting and childlike programs, presented in a dignified manner and within the child's level of understanding. Dr. Frances Horwich who presents the program is professor of education at Roosevelt College and has spent a lifetime studying the developmental needs of the pre-school child.

CALTECH ALUM DIRECTORY LISTS 33 SIERRA MADREANS

The new Alumni Directory of the California Institute of Technology, Pasadena, lists 33 of its 6400 living former students as residents of Sierra Madre. More than 3700 of the total live in California.

GRADUATION THEME

"And Now Tomorrow" is the 1954 Rose Bowl graduation theme developed by the presidents of the graduation classes of the Pasadena City schools' two colleges, seven junior high schools and the Huntington Memorial Hospital School of Nursing.

'Picnic' Opens on June 1 at Biltmore Theater in L.A.

Next stage attraction for the Biltmore theater, Los Angeles, is "Picnic," starring Ralph Meeker, which the Theater Guild and Joshua Logan are presenting for three weeks beginning Tuesday, June 1, with matinees Wednesday and Saturday.

Coming direct from a year's run at the Music Box theater, New York, "Picnic" is the first play in theatrical history to carry off all four of the theater's top awards for the best play of the season, the Pulitzer prize, the Drama Critics award, the Outer Circle award and the Theater club award.

"Picnic" is the mid-west comedy drama by William Inge of "Come Back, Little Sheba" fame, and it is directed by Mr. Logan, whose distinguished directorial career includes "Annie Get Your Gun," "South Pacific," "Mr. Roberts" and "Kind Sir," to mention a few.

ERC Gives Data Pertaining To Proposed Bond Issues in High, Junior College Districts

Following are questions and answers pertaining to the proposed bond issues for the Pasadena City High School and Junior College Districts of which Sierra Madre is a part. The propositions appear on the ballot for the June 8 primary election.

Sierra Madre's Education Research committee, of which Severin Sorensen is chairman, feels that the material which it has selected is important to Sierra Madreans.

PERTAINING TO BOND ISSUES

Q.—What is the amount of the bond issue?
A.—\$6,200,000 in the high school district, \$2,600,000 in the junior college district—a total of \$8,800,000.

Q.—What is the bonding capacity of the two districts?
A.—Approximately \$11,831,700 for the high school district, approximately \$13,050,300 for the junior college district, based on 5% of the total assessed valuation in each district.

Q.—What percent of the maximum bonding capacity of the two districts will have been

used AFTER passage of the bonds?

A.—Only 56.9% of the high school's and 24.4% of the junior college districts' bonding capacities.

Q.—How have the needs of the districts been investigated and determined?

A.—By the Board of Education, the total school staff, open public meetings and a Citizens' committee. (A Sierra Madre man, John A. Dewar, is a member of the Citizens' committee.)

Q.—What are the recommendations for the high school district?

A.—Expenditures of: \$2,532,000 for new construction, remodeling and rehabilitation of the six junior high schools; \$2,000,000 to convert and enlarge John Muir college into an adequate senior high school; \$4,028,540 to buy a site, build and equip a second senior high school in eastern Pasadena.

Q.—The above amounts to more than \$8,500,000. How can this work be done with a \$6,200,000 high school bond issue?
A.—Upon passage of the two bond issues, the high school district will receive a payment of approximately \$2,340,000 from the junior college district through the transfer of properties.

Q.—What are the recommendations for the junior college district?

A.—That, in addition to the \$2,340,000 necessary for the junior college district to acquire sole ownership of Pasadena City college, \$1,060,356 be spent there for new construction, equipment, remodeling and rehabilitation.

Q.—Will most of the junior college district bond money be spent at the junior college?

A.—Not on new facilities but to give title to properties now occupied. Most of it will be paid to the high school district for the purchase of buildings and land, making that money available for high school construction.

Q.—Are these bond issues necessitated by conversion from the 6-4-4 to the 6-3-3-2 plan of organization?

A.—No. There would be the same number of pupils to care for under either plan.

Q.—Why is approximately \$2,500,000 needed for junior high schools?

A.—Some of the schools need additional classrooms and new construction, even as three-year junior high schools. Most of the junior high schools are more than 30 years old and need rehabilitation.

Q.—Why is the passage of both bond issues urgent?

A.—The earliest date when the new buildings may be ready is September, 1956. Nearly every building that will serve as a junior or senior high school for the next two years is already caring for pupils beyond its normal capacity.

Q.—What are the enrollment increases expected in the next 10 years?

A.—52.1 percent in Grades 7-9; 49.8 percent in Grades 10-12; 83.3 percent in Grades 13-14; 59.5 percent in Grades 7-14.

Q.—Is money provided in these bond issues for purchase of a third senior high school site?

A.—No. The Citizens' School committee recommended a bond issue only for immediate needs in the two districts.

Q.—What will be the cost of the bond issues to a home owner living within the two school districts?

A.—Assuming a home has a fair market value of \$15,000 and is assessed by the County of Los Angeles at 25 percent of its true valuation, the cost would be \$9.75 per year or less than 3 cents a day.

Two Speakers Announced for Bethany Meet

The Bethany Missionary society will meet all day Tuesday, June 1, beginning at 10:45 with Miss Kay Sundstrand as the 11 o'clock speaker. Miss Sundstrand will show colored slides of her work in the north-west part of Belgian Congo. She taught there for three years in a teacher training school for students between the ages of 15 and 25. She will return to the field next winter.

There will be a covered dish luncheon at noon to which all are invited. The luncheon will be followed by devotions at 1:20 p.m.

The 2 p.m. speaker is to be Miss Geraldine Hinote of the Sudan Interior Mission. Miss Hinote is a graduate of Columbia Bible school in South Carolina and also of the Bible Institute of Los Angeles. She has been teaching and doing evangelistic work for about 10 years in Africa among the Dinka tribe along the White Nile river in the country of the Anglo-Egyptian Sudan. She has been home since the first of the year. Miss Hinote also will show colored slides.

There will be a nursery and child care provided for babies and small children.

Churches

ONE OF THE FIRST charter members of Church of Our Redeemer, Methodist, was Dr. Earl Gossard, right above, who is shown being welcomed by Dr. James Lyons, district superintendent of the Pasadena District, while the pastor, the Rev. Raynor Smith looks on. Charter membership in the church will close on Sunday, May 30, at which time special certificates of membership will be issued.

Redeemer First Annual Meeting Set for Friday Night, June 4th

"Something to Steer By," Pastor's Sermon Theme for Memorial Day Service

One of the big events for Church of Our Redeemer, Methodist, during the first week in June will be the annual church meeting. This meeting, known in Methodist as the Fourth Quarterly Conference, will be held on Friday evening, June 4. Dr. James Lyons, retiring superintendent of the Pasadena Dis-

trict of the Methodist church, will preside. Reports from all church officers will be heard, projected plans for the new year will be considered, and next steps in the construction of a chapel will be authorized.

The regular session of the all-church business meeting will be held on Thursday evening, June 3, to make preliminary recommendations for quarterly conference action on Friday. The item of purchasing folding chairs for the congregation's needs will be considered, as well as other items of church business.

On Memorial Sunday the minister will preach on "Something to Steer By." The Rev. Smith is an ex-Army chaplain and will speak out of the background of his personal experiences.

Memorial Sunday also will be the last day for receiving people into the church as charter members. Special music appropriate to the occasion will be presented by the choir and the order of worship will reflect the high meaning of this day.

First Baptist Plans Vacation Bible Sessions

Plans for a Vacation Bible school to be held June 21 through July 2 at First Baptist church were discussed at a recent meeting of the teachers. Registration will take place at the church on Saturday, June 19, preceding the Bible school sessions.

Classes are being planned for children from four years of age through junior high school. Sessions will be held from 9 to 11:45 each morning and will include Bible Study, memory work, music, missionary stories, handcraft and refreshments.

A picnic is being planned for July 3 for those who attend the Vacation and Sunday schools, as well as for members and friends of the church.

"True Patriotism" Memorial Day Topic

"True Patriotism" is the subject of the Rev. Edward J. Kriz will preach Sunday, Memorial Day, at 11 o'clock worship services in First Baptist church.

The Christian Youth Fellowship will meet at 6:15 p.m., Sunday, for a program entitled, "Never a Dull Moment." Evening services at 7:30 p.m. will feature the theme, "Saved by His Life" as recorded in Romans 5:10.

Marjorie Scoville Gets Bible Institute Diploma Next Week

Miss Marjorie Joyce Scoville, daughter of Mr. and Mrs. James Scoville, 272 W. Grandview, will receive a diploma June 1 from the Bible Institute of Los Angeles where she has been majoring in Bible. Following her graduation she plans to continue her schooling in preparation for missionary work.

Before enrolling in the Bible Institute, Miss Scoville was graduated from Pasadena City college in 1951 and took a vocational nursing course. She is affiliated with Bethany church here.

While attending the Bible Institute, Miss Scoville has been a reporter for the "Chimes," school publication, has been treasurer for the Kings Daughters, has helped with high school Bible clubs and has appeared frequently, with her sister, in musical programs at church meetings.

Chairmen making up the executive committee include: Mrs. Pat Chase, ways and means; Andrew Hedblom, facilities; Mrs. R. L. Pitzer, membership; Mrs. George A. Feichtmann, public relations, and Mrs. Gerald Marugg, personnel policy.

Assignments given other members of the board of trustees are: Wayne Stinet, Richard Young and Richard Tushcher, chairmen of Groups I, II and III, respectively; Kenneth Green, revision of charter; Mrs. Edgar W. Jenkinson, representative on Coordinating Council; Mrs. Virginia Sayles, representative on Chamber of Commerce; Mrs. Verner Schomaker, bulletin secretary; William Vensil, budget; Mrs. John C. Loomis, handbook, and Mrs. T. M. R. Parker, community representative.

... Social and Club Activities ...

"Bunny Party" for Marlena Metcalf

To celebrate her first birthday, Marlena Metcalf, daughter of Mr. and Mrs. Don Metcalf, 46 E. Laurel, entertained at a "Bunny Party" for her small friends.

The guests enjoyed playing with rabbit-shaped bean bags and eating their "rabbit lunch." The highlight of the day was the arrival of the birthday cake which was baked in the shape and size of a bunny, encircled by tiny marshmallow bunnies.

Those attending were Marsha and Janet Koester of Pasadena, Susan and Linda Gardner of San Marino, Cathy and Dave Walling of South Pasadena, Greg Patterson of Sierra Madre and the guest of honor's older sister, Cynthia. All the "children" brought their "mummies," Mrs. Don Koester, Mrs. Robert Gardner, Mrs. Roderick Walling and Mrs. Richard Patterson, to the day's festivities.

THE 25TH WEDDING ANNIVERSARY of Mr. and Mrs. Ray H. Price of Sierra Madre was celebrated recently when 45 friends and neighbors called during an afternoon open house at their home, 234 W. Highland Ave. Receiving with Mr. and Mrs. Price were their daughter and son, Ann La Rae and Richard.

Luncheon June 2nd For Alpha Chi Omega

The last meeting of the season for the Alpha Chi Omega senior alumnae of the Pasadena area will be an informal luncheon at 12 o'clock noon Wednesday, June 2, followed by bridge and Canasta, at the Altadena Town and Country club.

Among those members from the Sierra Madre area are Mrs. Bernard Tumilty and Mrs. Myron Smith.

Mrs. Urban Derkum, Sylamore 3-5267, is taking reservations.

Worthy Grand Matron Plans Official Visit

Lela Montee Roberts, deputy grand matron of the 53rd district of the Order of the Eastern Star, has announced that all members are cordially invited to be present for official visit of the worthy grand matron, Bernice Jan Basich, Friday, May 28, at 8 p.m. in the San Gabriel Masonic Temple.

The officers of the 53rd district, composed of Arcadia, Malita, Monrovia, Lexington, San Gabriel and Sierra Madre chapters, will exemplify the ritualistic work for the worthy grand matron.

THIS PICTURE WAS TAKEN IN TOKYO, JAPAN, on the occasion of Captain John J. Shippey's marriage in civil and religious ceremonies to Lieutenant Patricia Kerby. Captain Shippey is the son of Mr. and Mrs. Lee Shippey of Sierra Madre. The ceremony took place on Easter Sunday.

Mariners Club Plans Sweetheart Banquet

Six new couples were welcomed at the last meeting of the Bethany Church Mariners club.

Chairmen for the evening, Mr. and Mrs. Norman Dumas, were assisted by Mr. and Mrs. Lester Packard, Mr. and Mrs. Dick Browning and Mr. and Mrs. Ira Hughes.

The 88 guests were divided into teams, following dinner, to compete in various games. A contest was held to see which group could unscramble and assemble two jigsaw puzzles.

Stan Moyer led the community singing.

Dr. Robert N. Schaper led the devotions and pointed out the things that lead to a happy life are "Laughs, Labor and Love," but without Jesus, the key piece, no life is really complete, he said.

It was announced that the groups' annual Sweetheart Banquet will be held Thursday, June 3, in Fellowship Hall. This will be a semi-formal dinner with Rev. Woodrow Rood being the guest speaker. Special music will be a highlight of the evening.

Fourteen couples will be initiated at a candle-light service. This will bring the active membership to a total of 108.

Lady Lions Support Patricia Lesnick Memorial Foundation

Members of the Sierra Madre Lady Lions recently held their May meeting in the home of Mrs. Sterling Ripple, 193 W. Sierra Madre Blvd.

Highlights of the evening were the White Elephant sale, with Mrs. Harold Hamm acting as auctioneer, and the opening of the club's "Piggy Bank," the proceeds of which were given to the Patricia Lesnick Memorial Foundation for research in fibrocystic disease.

The local club is one of the first in Los Angeles County to support the newly-formed Patricia Lesnick Memorial Foundation, dedicated to the raising of funds for research in the rare disease.

Small containers for contributions to this research program are now located in various Sierra Madre stores.

Among those Lady Lions attending the get-together were Mrs. Frank Barbour, Mrs. Robert Buttane, Mrs. Doug Dickson, Mrs. Vern Eppard, Mrs. Emory Johnston, Mrs. Paul Landwehr, Mrs. Ralph Martin, Mrs. Ed Meyer, Mrs. Larry McGinnis, Mrs. Harold Pangborn, Mrs. Sam Simpson, Mrs. Hodges Wall, Mrs. Lloyd Welch, Mrs. Ralph Welch and Mrs. Dan Wilton.

Barrett-Cook Nuptials May 23rd at Sierra Madre Congregational Church

Mr. and Mrs. Leonard Gordon Barrett, who repeated their marriage vows Sunday afternoon, May 23, in First Congregational church, are honeymooning now in Vancouver, B.C. They will be home after June 6 at 130 Bob St., Monrovia.

The bride is the former Bette Mae Cook, daughter of Mr. and Mrs. Edward L. Cook, 129 W. Grandview. Young Mr. Barrett is the son of the Reginald G. Barretts, 312 W. Montecito, and is associated with his father in the nursery and landscaping business here.

Reception Follows

Following the wedding ceremony at which the Rev. Carl C. Smith officiated, the couple received the good wishes of Sierra Madre and out-of-town friends and relatives at a reception in Pritchard Hall of the church.

Given in marriage by her father, the bride wore a gown of embroidered white nylon net over taffeta, the bodice fitted and the skirt bouffant. Her finger-tip length illusion veil was held in place by a bonnet of embroidered net. A single white orchid and spray of lilies of the valley adorned the white prayer book she carried.

Miss Shirley Cook was her sister's maid of honor and bridesmaids included Mary Farrar, cousin of the bridegroom, Judy Monax, Elva Pickett and Sharon Pound. Miss Cook was gowned in an aqua net and lace ballerina dress and the bridesmaids in identical dresses of coral net and lace. All carried matching bouquets.

Flower Girl in Yellow

The flower girl, Susie Dewey, wore white dotted swiss over yellow taffeta and carried a basket of rose petals.

Jack Carver was best man and ushers included James Cook, brother of the bride, George Carlson, George Mackanic and Dick Denham.

For her daughter's wedding Mrs. Cook also wore a ballerina dress, hers in light blue lace, with matching jacket, and a corsage of pink rose buds. Mrs. Barrett was attired in shell pink brocade with blue accessories and a corsage of white roses.

Music for the wedding was provided by Jean Polgreen, soloist, and Jean Patterson, organist.

White Flowers Used

Potted white hydrangeas in combination with white gladiolus and carnations, and white tapers decorated the church for the ceremony. The pew baskets were arrangements of white sweet peas. White flowers also decorated Pritchard Hall for the reception. The four-tiered wedding cake and refreshments carried out a theme of pale pink and green.

Among special out-of-town guests were the bridegroom's grandmother, Mrs. E. L. Newton, and an aunt, Mrs. Freeman Farrar, both of White Bear, Minn.

Both of the young newlyweds attended Sierra Madre City school, the former Miss Cook going on to Marshall Junior high school and John Muir Junior college. Mr. Barrett at-

tended Wilson and John Muir before serving for two years in the Navy where he was a quartermaster 3/c on the U.S.S. Rochester.

Mrs. Haverick Feted At Birthday Dinner

Mr. and Mrs. Randall Perry, owners of Perry's Stationery and Gift Shop, the former owner, Mrs. Maude Rikeman, and employees of both attended a birthday dinner May 19 honoring Mrs. Lillian Haverick.

The party was held in the home of Mrs. Irving Scribner, 3650 Landfair, Hastings Ranch. Birthday gifts were presented to the guest of honor.

New Chairmen and Section Leaders For Woman's Club

New section heads and permanent chairmen for the coming year were announced at the last tea meeting this season of the Sierra Madre Woman's club.

New chairmen introduced to the members included: Mrs. Maybelle C. Barker, historian; Mrs. Dee W. Nourse, rentals; Mrs. Fred L. Williams, house chairman; Mrs. Franklin Franco, courtesy; Mrs. Fern Niedringhaus, Bible; Mrs. Ruby Barham, reservations; with Mrs. C. H. Sandage as co-chairman; Mrs. C. G. Taylor, decorations; Mrs. Dale R. Sandro, philanthropy; Mrs. Paul G. Kaponia and Mrs. Donald O. Clark, nursery; and Mrs. Frank E. Cox, doorkeeper.

The section leaders introduced are Mrs. Robert W. Newberry, handicrafts; Mrs. C. M. Lupfer, art; Mrs. Ruth H. Sheldon, music; and Mrs. Brooks Thomas, drama.

Mrs. William F. Rhodes was the lucky member awarded the wool afghan donated to the club by Mrs. Gertrude Kinnear of the British Home.

Temperance Editor Speaker for Today's WCTU Chapter Meet

Miss Ethel Hubler, editor and publisher of The National Voice, America's oldest temperance weekly, will be the speaker at 2 o'clock this afternoon in the congregational church at a public meeting sponsored by the Harter chapter, Women's Christian Temperance Union.

Described as "a leader in the crusade for a sober America," Miss Hubler is quoted as saying: "It is my conviction that the liquor traffic is the greatest blot upon our civilization today. Furthermore, I am convinced that it could not exist without the tacit consent of the church..."

The National Voice, of which Miss Hubler is editor and publisher, is published in Los Angeles.

Artist Association Plan Beach Outing

Members of the Pasadena Society of Artist Associates recently held their May meeting in the Attic Gallery, 1294 E. Colorado, Pasadena.

Following a business meeting past presidents of the association sponsored a round-table discussion of the history, accomplishments and plans of the society. Ideas for the group's coming "Art Fair" were discussed.

Each member provided one of his or her own paintings to hang for the evening's exhibition. Every member was on the jury to vote for a picture, not to pick a winner, but to determine what type painting is generally liked.

Lee Maria Kirkgaard, Alice McDuffie and Helen Harrison were elected to serve on the board of directors until May, 1958.

New officers elected by the board for the coming year are Norman Hall, program chairman; Alice McDuffie, membership secretary; Del Lucia Lindman, hospitality chairman; Gertrude Mattocks, publicity chairman; and Lee Kirkgaard, chairman of the Attic Gallery committee.

Among members from Sierra Madre are Albin Carlson, Mrs. H. B. Robertson, Mr. and Mrs. Spencer Edwards, Renee Tallantyre, Marie M. Guinn and Cornelia Reimer.

Sierra Madreans Hold Offices in Art, Letters Group

Sierra Madreans holding office for 1954-55 in the Pasadena chapter, National Society of Arts and Letters, as a result of the May 17 election, are: Miss Grace Webber, recording secretary; Mrs. Ella Nourse, corresponding secretary; Mrs. Lucy Marquardt, treasurer; Mrs. Hazel Paus, historian; Mrs. Mabel Grill, membership chairman; and Mrs. Alice Sedgman, press chairman for Sierra Madre.

Mrs. Florence Tompkins and Mrs. Carrie Davidson of Pasadena, were elected president and vice-president, respectively. Mrs. Tompkins reported on the national convention held recently in Washington, D. C., at which time she was appointed to the post of national historian. A number of women from here attended the conclave.

The recent meeting was held at the Davidson Travel Agency office in Pasadena and Mr. and Mrs. Davidson, who had a world tour recently, showed pictures of present world trouble spots taken on that trip, as well as of Honolulu and the Pasadena outdoor art exhibit.

The next meeting will be a picnic June 21 at the home of Mrs. Blanche Lupfer, 680 North Auburn.

Membership Tea for Pro-America Members

Mrs. Edward A. Heiss was re-elected chairman of the Foothill Towns unit of Pro-America at a membership tea held in the Arcadia home of Mrs. Arthur Nelson. Hundreds of orchids and cymbidiums were in bloom

for the occasion. Co-hostesses for the affair were Mrs. J. K. Weems and Mrs. J. V. Covell.

Mrs. Sam Hayward of the Pasadena unit of Pro-America was the installing officer. She gave a talk in which she reviewed "the growth and development of our American way of life under the free enterprise system as it was thought out by our forefathers and put into a pattern known as the Constitution, one which has as its basis a firm belief in God." She contrasted our beliefs with the Communist theory which omits any belief in God and puts faith in aggressive leaders.

Gloria Jean Graham Has Fifth Birthday

Gloria Jean, daughter of Mr. and Mrs. Frank P. Graham, 1100 Revford, recently celebrated her fifth birthday at an "Indian Pow-Wow" party.

Each small guest received an invitation in the form of a scroll with Indian characters printed on it. As they arrived they were given headdresses and Indian names for the afternoon.

The table decorations were miniature teepees. After the refreshments, games and the awarding of prizes, each "Indian" returned to his own "reservation."

Among those arriving to whoop and howl the afternoon away were Laurie McCall, Stuart Horan, Becky and Nancy Peterson, Patrick, Charlie and Billy Kelley, Stanley King, Gregory Laskaris, Kirk and Kim Hayward and Johnny McIlvennap.

Don Benito PTA Slates Meeting Tonight at 8 P.M.

A panel of parents and teachers will review and discuss questions and documented information relative to the topic, "Reporting on Pupil Progress in the Elementary Schools," at a meeting at 8 o'clock tonight, May 27, in the Don Benito school auditorium. The sponsoring PTA is urging all parents to attend.

After the panel discussion there will be an opportunity for expression of opinion on a questionnaire.

Those unable to attend the meeting may obtain a questionnaire at the school, either tomorrow or on June 1, or a request that the questionnaire be mailed may be telephoned to the school, Custer 5-1559.

As in other schools throughout Pasadena, a Growth Reports Study-Discussion committee has been formed and includes a parent from each grade level, selected by the room mothers, teachers and others. It includes: Mrs. Charles E. Cowen, Mrs. John N. Kirkland, Mrs. Karen J. Monsour, Mrs. James S. Reed, Robert Reddy, Mrs. Russell D. Kraus, Wilton A. Stewart, Mrs. Jeanne Comerford, Mrs. Christine Erickson, Mrs. Eugenia Bernthal, Mrs. Wayne Blackman, PTA president, Mrs. Arthur Shipman, PTA education chairman, Mrs. Mary Dushman, teacher representing the school, and Richard Worden, principal.

The importance of the discussion topic is stressed by the steering committee in urging parents to make every effort to attend.

MRS. RAYMOND HARVEY JOINS HUSBAND IN GEORGIA

Mrs. Raymond Harvey, 1225 Tropical, and her children, Cynthia, Michael and Margie, recently left the Ranch to join Major Harvey at Fort Benning, Ga., where he is taking an advanced officer's training course.

The Harveys expect to leave for Europe the first part of July where Major Harvey will report for his new assignment.

FIELD WINS AWARD FOR YEAR'S PROGRAM

Eugene Field placed first in the judging of 1953-54 PTA programs of schools in the First District of California Congress of Parents and Teachers.

Judging from the printed yearbook and taking into consideration monthly luncheon board meetings and child care arrangements, as well as the regular PTA meeting programs arranged by Mrs. Robert Brumfield, program chairman, the judges said Field had an outstanding record.

Upper Ranch Republican Precinct Workers Organize for Primaries

Work has been speeded up by the Republican precinct workers in the Upper Ranch. Mrs. Margaret Beggs, area chairman, has been replaced, during her illness, by Richard Pember, 2223 E. Mountain St., Pasadena.

Jim Cross, supervisor for the Upper Ranch, recently met with all of his precinct captains to outline and plan their work for the primaries.

Ed Lowell, captain of Precinct 222, held a meeting for his block workers. Guests for the day were Frank Lanterman, State Assemblyman for the 48th District, and Bob Meserve, supervisor for the Lower Ranch area.

Those workers present were Col. Roy Schuyler, Hilliard, Gretchen Hayward, Eleanor Wood, Ray Winterbottom, Russell Newton, Bob DeVinney, Mr. and Mrs. Ed Williamson, Barbara Frandsen, Charles Seitz, George Vane, Virginia Hillier and Mr. and Mrs. Robert Reed.

Workers meeting in the home of Precinct 221 captains, Chris and Nancy Larsen, were Marjorie Eggleston, Bill Pettit, Jr., Janet Fleming, Mary Ellen Walton, Vic Harris and Adrienne Killeen.

Dick Morse, Precinct 212 captain, will hold a meeting soon for his workers, Roger Peterson, Donna Gillmore, Virginia Jenkins, Desmond Strangman, Marguerite Scott, John Senour, Matthew Oliver, Nancy Rose and Charles E. Smith.

Precinct 220 now includes a

Ranch Women Among New Club Officers

A number of Ranch women were among the new officers recently installed at the Sierra Madre Woman's club.

Those taking part in the installation ceremonies were Mrs. Al L. Pruitt, Mrs. Gordon K. Wright, Mrs. William Spalding and Mrs. May P. Lyness, as new officers, and Mrs. Dale R. Sandro, Mrs. Paul G. Kaponya and Mrs. Donald O. Clark.

large portion of the new Riviera section and Jean Hoffine, captain, is still recruiting helpers. To date her list includes Sue Adamson, Betty Barr, Kathryn Bray, Helene Irvine, Jeanne Paxson, Pat McWayne, Paul Kaponya and Ann Thompson. It is hoped the group may interest the Harris Robisons, Clifford Voges, Alton Pryors, James Speers, Byron Mays and Clyde and Jerry Johnson from the Riviera section in working with them.

The newest 213 precinct captain is Albert Kelso. He will be assisted by Dick Lynch, Don Becker, Virginia Souther, Dorothy Voegelin and William Murphy. It is hoped Jane Lowe, Lewis Ross, William Heller, Gordon Templar, Blaine Parkin, Kenneth Galpin, Robbie Pruitt and Stan Woodward will join the workers.

Richard Richards to Address Ranch Demos

Richard Richards, officially endorsed Democratic candidate for the State Senate, will bring his campaign to the Hastings Ranch area Wednesday, June 2, at 7:30 p.m. in the home of Mr. and Mrs. Thomas W. Yeakle, 830 Rim Road, when he will appear at a public meeting sponsored by the Hastings Ranch Democratic Club.

George R. Lenney, president of the club, has extended an invitation to all residents of the Ranch interested in becoming acquainted with Mr. Richards.

Ranch Wrens Schedule Summer Party Events

Mrs. Dunbar Burdick, 3845 Greenhill, was hostess to the Ranch Wrens at the club's May meeting when summer plans were discussed.

June will bring a luncheon and fashion show at the Huntington hotel, and for July 10 is planned a patio party at the home of the Ray Lindmans, 3770 Hampton Rd.

FIELD BLOOD DONORS

Recent donors in the Eugene Field Red Cross blood bank were Mr. and Mrs. William C. Cameron, Blair A. Hyde, Mrs. Louise G. Lindgren, Mrs. Laura E. Miller, Mrs. Florence S. Sabin and Eldon M. Osborn.

Let the Want Ads rent it.

Leichtis Have Spring Vacation in Bahamas

A recent fabulous vacation in the Bahamas has Mr. and Mrs. Robert J. Leichti, 3744 Landfair, planning a return trip next spring.

The couple flew to Miami, then to Nassau and then to a tiny English island, Eleuthra, where Mr. Leichti's uncle owns a strip of island reaching from shore to shore. Here the constant temperature is 72 degrees, the ocean is tepid for swimming any time and the Hastings Ranch colony has a carefree social life. After a week there the Leichtis flew to New York for another week of fun, even including tickets for the always-sold-out Caine Mutiny Court Martial.

ROSS E. BURKES ENJOY TWO-WEEK MOTOR TRIP

Mr. and Mrs. Ross E. Burke, 980 Pepperhill, have enjoyed a two-week motor trip which took them through Arizona, where they visited on a ranch near Phoenix, and a few days of fun at Las Vegas.

Mrs. Burke's mother, Mrs. Vera Cheek, looked after Ross, Jr., Susan and Timmy while their parents were on their holiday.

MUSIC OF EARLY INDIAN

The music of the early Indian nowhere appears to be better preserved than in New Mexico. It is reported, there, among the Pueblo, Navaho and Apache Indians, it has been handed down by rote from one generation to another from prehistoric times.

VFW Auxiliary Serves Dinner in Three Shifts To Record Attendance

A menu featuring fried chicken and home-made pies lured 175 persons, almost twice as many as were expected, to the Poppy Dinner given May 19 by the auxiliary of Harry L. Embree Post, Veterans of Foreign Wars. Dinner was served in three seatings, the clubhouse being filled to capacity that many times.

Waiting diners were entertained by accordion and piano music provided by Ramon Copotelli. An angel food cake, baked and donated by Mrs. Lou Bray, was won by Art Gadd who cut and shared the cake with late diners who missed out on the apple pie. The evening was concluded with music and dancing.

In expressing appreciation to everyone for supporting the dinner project, the auxiliary urges the same enthusiastic response to the annual Poppy Sale here tomorrow and Saturday.

W. F. Schregardus' Granddaughter Wins Scholarship

Practically on the eve of their departure in mid-May for four months in Europe, W. F. Schregardus, past president of the Sierra Madre Garden club, and Mrs. Schregardus learned with pride that their granddaughter, Miss Barbara Gillespie of Arcadia, had received two scholarships and is eligible for another.

Miss Gillespie, daughter of the Rollin W. Gillespies, 1749 Orange Wood lane, Arcadia, recently was announced as winner of the \$1000 scholarship given by the North American (Aviation Corp.) Management club this year, and she also was announced as winner of a \$500 scholarship award given by the Zone A National Association of Foremen. The latter competition was restricted to top winners in the 10 Southern California company club contests.

She is also a finalist in the Bank of America scholarship contest in which she is assured of at least a \$100 consolation prize and should she win will receive up to \$1000.

Miss Gillespie's father is a rocket propulsion engineer at the Slauson facility of North American. She is a senior at Monrovia-Duarte High school where many school activities and honors are listed after her name.

If we should say Sierra Madre—it should be pronounced Sierra Ma-dray. OK!

Well, tonight is the night!

The first league game of the season for the Sierra Madre softball team is tonight at 8:30. The NOTS (Naval Ordnance Test Station) will be our opponents on diamond 2 at Brookside Park. The team is all rarin' to go—so let's see all you fans out there.

Sorry we haven't mentioned it before, but there is more than one softball team in Sierra Madre. The Bethany Church has a team that seems to be burning up the whole Church League. Good luck to you fellows!

Billy Herman gets a chuckle out of relating this story on Stan Hack: Burleigh Grimes was pitching for the Cubs with Stan playing third. Hack made a boo-boo on a grounder and snapped his fingers in disgust. Grimes might have gotten out of the inning except for another error by Hack, who again snapped his fingers to show his anger. Charlie Grimm, managing the Cubs, yanked Grimes. "But Burleigh," boiling, snarled: "Why take me out? Why not the guy who is only snapping his fingers at the ball?"

Switching the Scene to Fishing: For you fishermen who like to catch bass, the place to go is San Clemente. The biggest one caught down there last week was a 44-pound white sea bass.

They are running overnight trips to San Clemente island on Mondays and Tuesdays every week, on boat led by . . . The price is only \$10 per day. If you are to know any more information, write San Clemente Sportfishing, San Clemente P.O. Box 321, or you can call San Clemente 465.

Larry Gilbert, operating the Nashville Club of the Southern Association, had his eye on a rookie early this summer, and wanted to find out what kind of a hitter the lad was. . . . He finally asked one of the rookie's 1953 teammates. . . . "Well, he hits three ways," answered the teammate. "Right hand, left hand and seldom."

Good Destroys Evil, Lesson-Sermon States

"Be not overcome of evil, but overcome evil with good." This admonition of Paul to the Romans (12:21) is the golden sermon at all Christian Science churches Sunday. The subject is "Ancient and Modern Necromancy, *alias* Mesmerism and Hypnotism, Denounced." How man's trust in God preserves him from the attacks of evil is pointed out in a Bible selection from Psalms: "Deliver me, O Lord, from the evil man: . . . They have sharpened their tongues like a serpent; adders' poison is under their lips. . . . Let not an evil speaker be established in the earth. . . . Surely the righteous shall give thanks unto thy name: The upright shall dwell in thy presence." (140:1, 3, 11, 13).

On this subject Mary Baker Eddy says in the Christian Science textbook, "Science and Health with Key to the Scriptures": "The necromancy of yesterday foreshadowed the mesmerism and hypnotism of today." "Animal magnetism has no scientific foundation, for God governs all that is real, harmonious, an eternal, and His power is neither animal nor human." (pp. 322, 102).

The Answers to Everyday Insurance Problems
By HARRY A. LANGE

QUESTION: Is it true that a tenant can sometimes be held liable for fire damage to an apartment house where he lives?

ANSWER: That sometimes happens if the fire is due to a tenant's negligence. Fire Legal Liability insurance protects against this hazard and it can be added to Comprehensive Personal Liability insurance. It will not cover, of course, if the tenant assumes liability for fire damage in a lease.

Monday Collections of Combustibles Set for Tuesday of Next Week

Combustibles regularly collected on Mondays in the section of the City east of Baldwin and north of Highland, will be picked up next week on the following day which is Tuesday, June 1, according to John Avedeslan, City collection contractor.

Garbage, however, will be collected on Monday as usual, he says.

Mrs. Ralph Hutcheson Has Luncheon Party For Civic Club Board

Members of the executive board of the Sierra Madre Civic club were recently entertained by the outgoing president, Mrs. Ralph Hutcheson, 169 San Gabriel Court, at a "southern fried chicken" luncheon in her home.

Among those on hand to enjoy the day's festivities were Mrs. Bryce Tyler, Mrs. Wayne Stinnett, Mrs. Charles Morgan, Mrs. LeRoy Toms, Mrs. William Burke, Mrs. Douglas Berkshire, Mrs. William Wilcox, Mrs. Al Sirton and Mrs. Chester Nowak.

Shippeys Learn Details of Son's Tokyo Nuptials

Details of the Easter marriage of Capt. John J. Shippey, son of Mr. and Mrs. Lee Shippey of Sierra Madre, and Lt. Patricia Kerby, daughter of Mr. and Mrs. James M. Kerby of Henninger, Ala., in Tokyo and at Johnson Air Base, have been received by the senior Shippeys.

The civil ceremony was in the American Embassy in Tokyo, the religious ceremony in the chapel at the air base. The Rt. Rev. Kenneth A. Viall, bishop of Japan, performed the religious rites. The altar was banked with lilies and carnations. All the ushers were brother officers, in uniform, as was the bridegroom. The matron of honor and bridesmaids were wives of officers.

The bride wore ice blue satin with a fingertip-length veil of ice blue tulle and carried a bouquet of white orchids. The non-commissioned officers' mess supplied the cake and refreshments for the following reception and a sergeant played the wedding march, indicating the popularity of the couple with both commissioned and non-commissioned personnel.

Immediately following the reception Captain and Mrs. Shippey left on a two-week honeymoon trip to the principal beauty spots of Japan. They expect to return to the United States in August.

Candidate for Assembly Visitor Here Saturday

Peter Hazell, candidate for the office of State Assemblyman from the 48th District, made some calls and visited Sierra Madre Democratic headquarters, 154 W. Sierra Madre Blvd., for several hours on Saturday, May 22. Hazell is running against Assemblyman Frank Lanterman in the June 8th Primary election.

COUNCIL SESSION From page one

council room and are and have been open to the public. Pratt had previously rapped at the "tendency of committees-of-the-whole to arrive at pre-decisions," although he said he was in favor, generally, of the committee system.

Gifford Eastwood, Harold Bartel, Dr. Nathan Jacobs and A. L. Draeger, members of the audience, participated in varying degrees in the council appointment discussion. Some seemed to feel that the voters in the municipal election April 13 had shown their choice of councilmanic material.

Expect Action June 8
Action on the council appointment undoubtedly will be taken at the next regular council meeting June 8. Mayor Louk stated Tuesday night that he, personally, hoped to see some "public spirited citizen in the job, one who had served the City in the past and whose motives are unselfish."

In answer to a question, he said that his own decision would be influenced by a majority expression of the people's opinion on the matter, if that were possible.

Tell Progress In Building of Mesa School

Building of the new Sierra Mesa Elementary school at Canon and Highland Aves. is progressing on schedule, according to a report submitted to the Sierra Madre school board of trustees by Robert Day, State-certified school building inspector.

Charles A. Skutt, superintendent of schools, has reported further that stuccoing of the building will begin within 10 days. At present, he stated, the

construction of the concrete block wall in the front areas on Canon Ave., is nearing completion and the main electrical panel, a 1600-pound unit, has been delivered. This panel is of such capacity that it will serve the master plan, eight rooms of which are now under construction.

Tentative completion date had been set for July 15 and, according to Mr. Skutt, there will be no more than a possible two-week delay. The building will be ready for occupancy in the fall, with kindergarten through third grades accommodated the first year and adjustments to be made as the need is indicated, according to school officials.

Resolutions Name Roberts on Two L. A. County Boards

Resolutions designating Councilman Harold F. Roberts as alternate to Mayor Louk on the Board of Directors of County Sanitation District No. 15 and on the L. A. County Forest and Watershed Protective and Rehabilitation Commission, were adopted by the City Council this week.

A teaching principal will be in charge of the building. A plan is being formulated for hot lunch delivery from the present school cafeteria.

Arthur Fox Family Host Don Guinns

The Arthur Fox family of Foothill Ave. have had as their guests the past two weeks Mrs. Fox's brother and sister-in-law, Mr. and Mrs. Don Guinn, and their three sons of Walla, Walla, Wash.

While in Southern California the Guinns visited many points of interest and were present at a family re-union in Pomona.

Truckee Named

Truckee, located in Nevada county, is said to have been named for "Captain Truckee," one of General Fremont's faithful Indian guides.

LARGEST FLOATING STRUCTURE

Largest floating structure in the world is the Lake Washington floating bridge at Seattle in Washington.
